EXPERIENCE

Highland Market, Tucson, AZ — *Stock Clerk*

August 2017 - February 2018

I worked the graveyard shift here due to classes during the day, and learned how to effectively manage my time while undertaking multiple demanding workloads.

Yardhouse, Irvine, CA — *Busser/Host*

January 2019 - May 2020

I learned how to submit my pride and serve others while working to keep the restaurant clean and keep guests content.

EDUCATION

University of Arizona, Tucson, AZ — Bachelor in Business Administration (*Incomplete*)

August 2017 - December 2018

Started out studying business at the University of Arizona with little direction, then realized that I loved coding.

Santiago Canyon College, Orange, CA — *Transfer for Computer Science*

February 2019 - May 2021

Transferred to community college to pursue an associates degree for transfer in computer science.

UCI Fullstack Web Development Bootcamp, Online — *UCI Fullstack Web Development*

February 2019 - May 2021

Took a gap year in formal education to gain experience and knowledge in developing real-world applications.
